

Fall On Me

Pete McAllen, Feranmi Oguns
BPM: 114

Cm | Bb | Gm | F

V1

I lose my inhibitions
Reaching for the heavens
I lift my voice and sing out
Lifting up the Name that brings us life

Pre

I find your river runs deep
I find the river runs wide
I'm living in the things unseen
As heaven breaks over me

CH

Fall on me
Break out, break out,
Fall on me
Break out, break out,

V2

Speak to me in whispers
The voice that breaks the boulders
Untieing every knot that gripped my heart
Leading me in straight and narrow paths

Bridge

I lean not on my own understanding
Clench my hand on your arm
Without you I would be nothing
Trusting You alone, trusting You alone
